Inter-County Horsemen's Association
Membership & Points
February 6, 2021

Dear Horse Enthusiast,

I hope this letter finds you ready for Spring!

This year marks 73 years for Inter-County Horsemen's Association (ICHA) and we are inviting you to participate in our organization. Become a member of Inter-County for affiliated horse shows and participation in our year end banquet and awards.

It is time to complete the 2021 application for membership to Inter-County Horsemen's Association (ICHA) and some things have changed. Please review the new and improved 2021 application for membership.

Please note: To qualify for points you must show at 3 member shows and accumulate at least 10 points.

We look forward to a great 2021 show season!

Most forms have been modified based on input, for a better understanding, as well as ease of use. If you need an extra form, you will find it on the Inter-County website @ www.i-cha.org under the membership tab. Please return your completed forms as soon as possible.

Whether you ride for points, look for horse shows to attend, or just love horses, consider a membership in ICHA. I look forward to receiving your membership!

Thank you
