

Inter-County Horsemen's Association

ICHA Triple Point Horse Show

June 11, 12, 13, 2021

We are happy to be able to provide a show for you to enjoy. Please help us have a great show during these unusual times.

We know CDC guidelines have been evolving and more available recently than we've ever noticed before. Please review the guidelines related to virus transmission provided by the CDC.

****In order for us to be able to provide this show, we must ask you to abide by some guidelines.****

SOCIAL DISTANCING. Please keep the paddock, warm up ring, show ring, vendor area, show office, restrooms, barn area, etc. free of too many people gathered at any given time. Of those necessary people at any location at a given time, please keep a 6 foot social distance. If too many people gather, we will be forced to limit who is allowed in any location at any given time.

SHOW RING. Please allow only trainers close to the rail to assist their riders while showing. Family may be in the seating area.

GRANDSTAND SEATING. No general public spectators. Trainers, exhibitors, grooms, and family are welcome to watch the horse show from the grandstand area, provided they socially distance 6 feet or more from non family/barn members.

HAND SANITIZER. Stations will be provided in various locations. It's strongly recommended you bring your own in case it's needed in areas not provided.

VENDOR AREA. Please be respectful and follow the social distancing rules. Try not to touch things unnecessarily.

RIBBONS. First place ribbon and trophy will be on a table near the judge's stand. The header from your stable will put the ribbon on the horse/rider for presentation and victory pass. Other ribbons will be on a table outside the ring. A representative for each rider will pick up the ribbon after you leave the ring.

PERSONAL PROTECTIVE EQUIPMENT. Strongly Recommended as of 7/15

CLEAN UP. Please put trash in provided receptacles so no one else has to touch your trash.

Remember....we are setting the standard to go forward. Thank you
